**Teachers and Pupils.** Mrs. Lemieux returned to the Carbee School and Mrs. Simonds to Pettyboro District. Mrs. Barbara Jones, a graduate of Plymouth Teachers' College and a teacher of some experience, was secured for the Swiftwater School. To succeed Mrs. Robb as supervisor of Music, Mr. Stephen E. Childs of Rumney was engaged. In this emergency that faces the country, with the mounting scarcity of teachers, the one-room schools are the ones that are the most difficult to fill with trained and well-qualified teachers.

**Buildings and Grounds.** The School Board is trying to work out plans so that an adequate water supply can be provided for each of the schools. This is, of course, essential for health and hygienic reasons. I also hope that materials and labor will be available this summer, so that some additional playground equipment can be provided.

For the continued cooperation and support of the School Board, of the citizens of the town and of the teachers and pupils I am indeed grateful.

Respectfully submitted,

WESLEY H. DOUGLASS.

On July 30, 1946, upon petition of more than twenty-five voters including the School Board, Judge Goodnow of the Superior Court, authorized the closing, temporarily, of the Bath High School. At a special meeting of the School District the voters authorized the School Board to use money, appropriated for the support of the High School, to transport high school pupils to the Woodsville High School. As a result five students are attending Woodsville High School while two others are part time students. There was no opposition at the hearing before the Court, which is very gratifying to the School Administration because we feel that until conditions change the educational interests of the pupils are being better served at a saving to the tax payers.

**Teachers and Pupils.** As a result of the closing of the High School we needed but two teachers. Miss Pushee returned as principal while Mrs. Marion Byrne of Woodsville was engaged to teach grades 5-8. To replace Mrs. Robb as music supervisor, Mr. Stephen E. Childs of Rumney was engaged.

**Buildings and Grounds.** The water supply is a matter of grave concern. The Board is considering several plans to remedy the situation one of which I hope will be found feasible and executed this summer. As I wrote in this space last year, the building is suffering from a lack of paint on the outside. I hope the labor situation will be such that this work can be done this summer. We have been bothered recently by the presence of poison ivy on the school grounds. I hope this nuisance can be overcome this spring.

I would be ungracious indeed if I did not again express my appreciation for the continued loyalty and cooperation of the School Board and citizens of the District and of the teachers and pupils.

Respectfully submitted,

WESLEY H. DOUGLASS.
